A modern interior scene featuring a curved armchair with a dark wood frame and light-colored upholstered seat and backrest. The chair is positioned next to a tall floor lamp with a white, hexagonal, segmented shade and a black tripod base. To the left, a long, low-profile sofa with a light-colored, textured surface is visible. The floor is made of light-colored wood planks in a herringbone pattern. A large window on the right side of the frame shows a view of trees outside. The overall aesthetic is minimalist and contemporary.

PERFECT CURVED BACK AND
